1. Prior Approval Requirements not included in the General T&Cs.

Prior written approval is required to extend the period of performance, without additional funds, beyond the expiration date of this grant. The Grants Officer (GO) and the Administrative Grants Officer (AGO) at the Administrative Office cited in the Award/Modification document have authority to approve no funds extension requests meeting all of the following parameters:

(a) a one-time basis only; and

(b) for a period not to exceed 90 days; and

(c) where $50,000.00 or less of obligated funds remain to be expended.

In other cases, where a request is outside of one or more of the above parameters, a no funds extension can only be approved by the Grants Officer (GO) cited in the Award/Modification document. For any no funds extension to be effective, a written grant modification must be issued and signed by the GO or the AGO at the Administrative Office cited in the Award/Modification document or the Awarding Office cited in the Award/Modification document.

2. Contact Information for Technical Matters

Questions regarding technical matters should be referred to the Technical Representative cited in the grant.
3. **Contact Information for Administrative Matters**

Questions regarding technical matters should be referred to the Administrative Grants Officer (AGO) cited in the grant.

4. **Contact Information for Intellectual Property Matters**

Questions regarding administrative matters should be referred to the Administrative Grants Officer (AGO) at the Administrative Office cited in the grant.

5. **Revised Budget Requirements**

Revised budgets, when required, must be submitted on the SF 424 Research and Related Budget.

6. **Technical Reporting**

   (a) Technical reporting requirements are cited in the Award/Modification.

   (b) If reports are requested in the Award/Modification, the Grantee shall submit the performance results within ninety (90) calendar days after the end date of the Grant.

   (c) The Grantee shall include a completed "Report Documentation Page" Standard Form (SF) 298 as the last page of the performance results prepared under this Grant. The form and instructions are available on the Office of Naval Research Home Page at [http://www.onr.navy.mil/Contracts-Grants/manage-grant/grants-forms-download.aspx](http://www.onr.navy.mil/Contracts-Grants/manage-grant/grants-forms-download.aspx). However, Block 12a. of the SF 298 should be completed with the following distribution/availability statement: "Approved for Public Release; Distribution is Unlimited." If the Grantee does not agree with that distribution/availability, the Grantee should contact the cognizant AGO at the Administrative Office cited in the Award/Modification document.

7. **Financial Reporting**

Financial reporting requirements are cited in the grant.

8. **Incremental Funding Actions**

No additional documentation is required to trigger an increment. However, recipients should note that low expenditure rates reported on payment requests might be cause for deferral of future funding increments.

9. **Payments**

   (a) All payments shall be made by funds transfers to the bank account registered in System for Award Management (SAM) at [https://www.sam.gov/portal/SAM/](https://www.sam.gov/portal/SAM/). The Grantee agrees to maintain its registration in SAM including information necessary
to facilitate payment via Electronic Funds Transfer (EFT). Should a change in registry or other incident necessitate the payment to an account other than that maintained in SAM, it is the Grantee’s responsibility to notify the AGO and obtain a modification to this Grant reflecting the change. The Government shall not be held responsible for any misdirection or loss of payment which occurs as the result of a Grantee’s failure to maintain correct/current EFT information within its SAM registration.

(b) Any request for advance payments must be approved by the Administrative Grants Officer (AGO) at the Administrative Office shown in the award.

(c) iRAPT (Invoicing, Receipt, Acceptance and Property Transfer formerly known as WAWF) has been designated as the Department of Defense standard for electronic invoicing and payment. To facilitate this effort for Universities and Nonprofit Organizations with awards administered by the Office of Naval Research (ONR) Regional Offices, DoD has established the ONR Electronic Payment System (PayWeb) (https://payweb.onr.navy.mil) as an initial entry point to iRAPT. If the Grantee participates in the PayWeb system, the Grantee shall submit an electronic request for payment to the Administrative Grants Officer (AGO) at the Administrative Office cited in the award, using the standard PayWeb processes.

(d) Participation in the PayWeb system requires the Grantee to obtain an External Certificate Authority (ECA) certificate from an approved Certificate Authority for access. Operational Research Consultants (ORC) (http://www.eca.orc.com) and Symantec (http://www.symantec.com/shared-service-pki/) are approved ECA Authorities. If you have questions or require technical assistance in implementing your certificate, contact the Navy PKI Help Desk at 1-800-304-4636. The Grantee shall Contact the AGO at the Administrative Office cited in the award for instructions on how to register and use iRAPT and PayWeb.

(e) Electronic submission of payment requests requires the Grantee to register in iRAPT and have the appropriate CAGE code activated. The Grantee’s SAM Electronic Business Point of Contact (EBPOC) is responsible for activating the CAGE code in iRAPT by calling 1-866-618-5988. Once the Grantee’s CAGE Code is activated, the SAM EBPOC will self-register in iRPAT and follow the instructions for a group administrator. The ONR Regional Offices will assist in this process. The ONR Regional Office is listed as the Administrative Office in the award.

(f) If the Grantee is a For-Profit entity or does not participate in the ONR PayWeb System, the Grantee shall submit payment requests electronically via iRAPT. The Grantee shall Contact the AGO at the Administrative Office cited in the award for instructions on how to register and use iRAPT.

12. **Supplies**

Title to supplies and other expendable property shall vest in the recipient providing the residual inventory of unused supplies does not exceed $5,000 in total aggregate value upon termination or completion of the project or program. 17. **Collection of Amounts Due**

In absence of mutual agreement between the recipient and FLC San Diego, the FLC San Diego Grants Officer/AGO shall make a determination regarding any recipient indebtedness and submit a written notice of such a decision to the recipient. Within 30 calendar days of the FLC San Diego
Grants Officer’s/AGO's determination, the recipient shall either pay the amount owed or inform the FLC San Diego Grants Officer/AGO of the recipient’s intent to appeal the determination. If the recipient elects not to appeal, any amounts not paid within 30 calendar days of the FLC San Diego Grants Officer’s/AGO’s determination will be considered a delinquent debt. The recipient and FLC San Diego Grants Officer/AGO shall attempt to resolve all issues at the FLC San Diego Grants Officer/AGO level.

If the initial award equals or exceeds $25,000 but funding is subsequently deobligated such that the total award amount falls below $25,000, the award continues to be subject to the reporting requirements of the Transparency Act.
