

POM Vaccine Update

March 11, 2021

From POM, Update for today:

1st dose; Closed.

- NO planned 1st dose shots for the remainder of the week. Resumption of 1st dose expected week of 22 Mar 21.

2nd dose;

The schedule for the next few days:

- Friday, **12 MAR**
 - **2nd dose** appointments only. **Appointments are almost full.**
- **Monday, 15 MAR**
 - **2nd dose** appointments only. **APPOINTMENTS ARE NOW OPEN.**
- **Tuesday, 16 MAR**
 - **No scheduled vaccination operations**
- **Wednesday, 17 MAR to Friday, 19 March**
 - **To be announced. There will be appointments for 2nd doses.**

Note: After the appointments book up. They will continue to have vaccinations for 2nd dose the next week.

Also, please don't forget to update the [NPS Vaccine Tracking](https://nps.edu/covid-19-vaccine-planning) thank you again. More information can be found here <https://nps.edu/covid-19-vaccine-planning> (directions, DHA207, how to cancel).

They are still working on military cadre and faculty and staff that are NOT teleworking in Phase 2 as 1st doses arrive.

Sequencing being used by POM for upcoming 1st dose:

1. Military Cadre
2. Faculty and Staff that are NOT teleworking
3. Service Members that are students in the Barracks
4. Service Members, students residing Off-Post
5. Faculty/Staff
6. Family Members
7. Retirees (64 and under)

Very Respectfully,

Tony
