

POM Vaccine update

March 2, 2021

Presidio of Monterey (POM) Army, is currently out of the vaccine, until they receive more they will be suspending vaccination operations. Future doses will arrive weekly. As POM receives their doses I will provide you the information for appointments. Their focus for allocation of upcoming shipments will be on individuals who need second dose. After which vaccine doses for initial dose, are planned to restart in a couple of weeks as the greater Army provides vaccines to POM.

As a reminder from POM, they CANNOT vaccinate:

- Contractors
- Civilian retirees
- Family members of Civilian employees (unless you are a Tricare beneficiary)
