Location of Ingersoll Hall

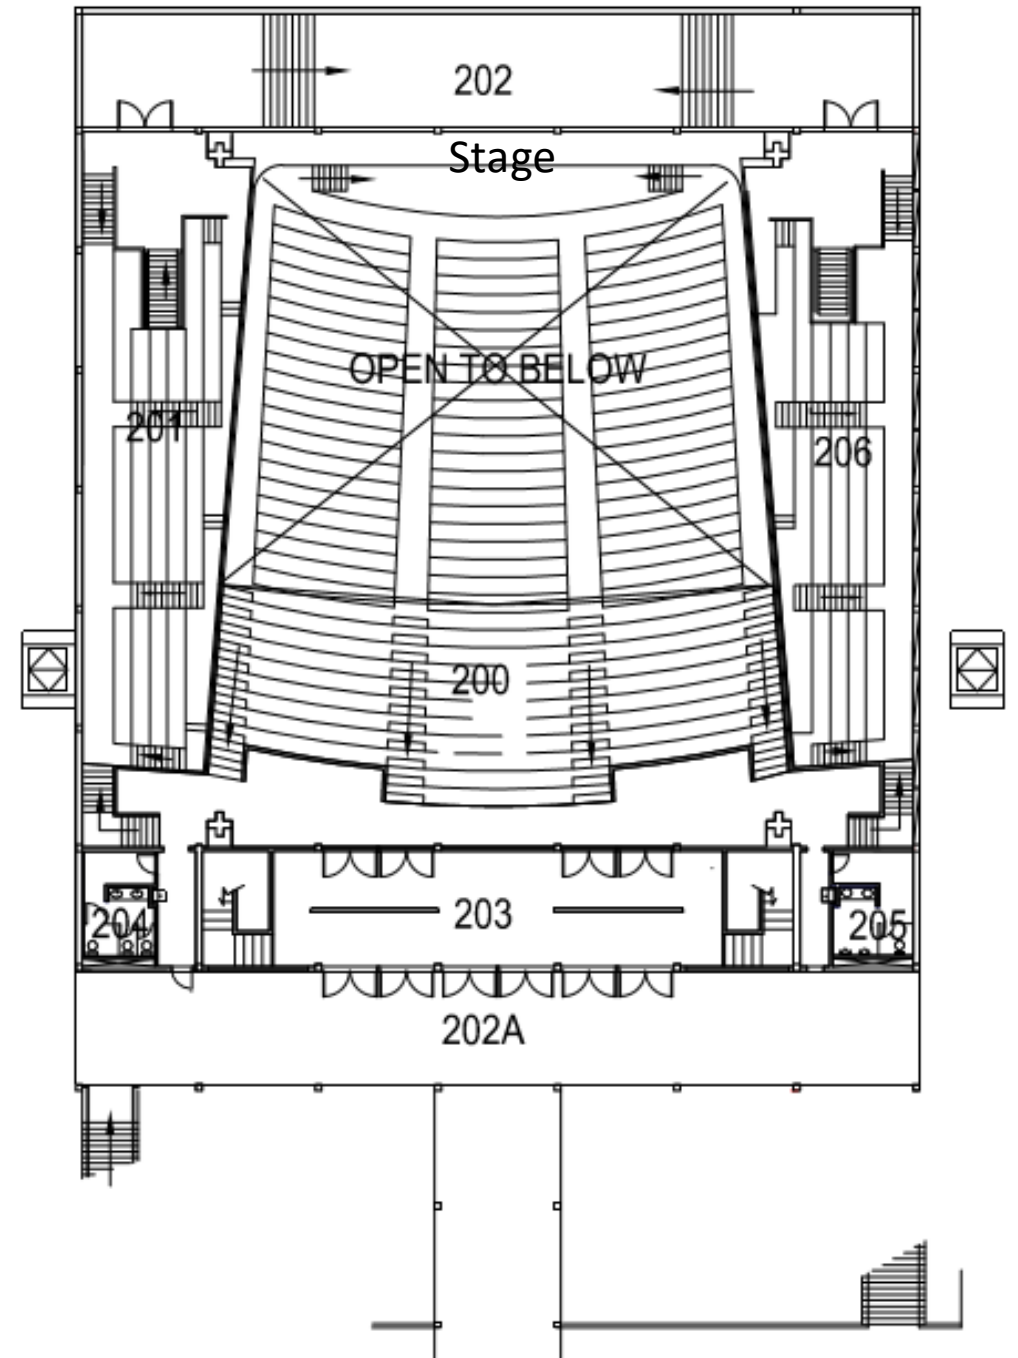

1330 fixed seats

Tiered seating with 'balcony' areas

NOTE: This space is the only one available on the campus where the entirety of the NPS student body and/or staff can be in attendance for events such as graduation or for special speaking engagements. For this reason, although this space may be reserved for you (often months/years in advance), please accept that this arrangement is with the understanding that **YOUR** event may need to flex to accommodate certain high profile visits (often on extremely short notice) by Navy leadership and senior politicians who desire an audience with a large demographic of the School/Base (i.e. SECNAV, CNO, COCOM, Member of Congress, etc.) .

These events are typically no more than 2-3 hours in length, and this situation happens VERY infrequently, but please be aware that NPS reserves the right to displace your conference (with the absolute least possible interruption to your activities that your & our organization can manage) if a contingency such as described above occurs.

For A/V support: audiovis@nps.edu or call 831 656-2035

This space is suitable for up to SECRET conferences/meetings.

The NPS SSO/Security Manager's office has 3 laptops which can be lent out with information transmitted via SIPRnet and loaded onto them.

Parking is GENERALLY in limited supply unless over school break periods or holidays/weekends. Please make arrangements for the majority of your attendees to either walk or use other transportation (public or private bussing for instance) if your hotels are out of area.
