

MBA and MSM Enrollment, Completion Rates, and Job Placement

How many students are enrolled in the MBA and MSM programs?

During the 2016-2017 academic year, 128 students enrolled in the MBA program and 34 students enrolled in the MSM programs. Our students are US military officers, US Department of Defense civilian employees, and Allied Nation military officers.

How many enrolled students complete these programs?

Program Completion Numbers and Percentages: Fall 2013-Summer 2014

| Initially Enrolled | Graduated within Program Design Length | | Total Students Graduated and Persisting to Graduate |
|--------------------|--|------|---|
| | 100% | 150% | |
| MBA: 122 | 115 | 119 | 122 |
| MSM: 37 | 33 | 35 | 37 |

Where do students go on to work?

Students are employed by their home organizations and return to those organizations upon graduation. Alumni fill jobs managing the business of defense, setting defense policy, and providing defense sector administration in military and government leadership positions worldwide. As such, we have a 100% employment rate.

Job Placement Statistics for 2014-2016 Graduates

| Employment Sectors / Categories | MBA | | | Master of Science | | |
|--|------|------|------|-------------------|------|------|
| | 2014 | 2015 | 2016 | 2014 | 2015 | 2016 |
| National or central government in the same country as program | 6 | 1 | 2 | 0 | 0 | 0 |
| Government not in the same country as program (all levels) or international quasi-governmental | 0 | 12 | 15 | 3 | 12 | 6 |
| Military Service | 122 | 117 | 105 | 33 | 32 | 31 |
| Total | 128 | 130 | 122 | 36 | 39 | 37 |
