Master of Science in Program Management (MSPM)

Graduate School of Defense Management

Commencing 05 July 2022
Distance Learning Program using a Web-based, Virtual Classroom Environment

The MSPM is a non-resident, part-time online program for qualified active duty military personnel, federal civilian employees and defense contractors. Students take two courses a quarter for eight consecutive quarters. The program will be delivered over the Internet using a web-based, virtual classroom tool in two 3-hour sessions a week on Tuesdays and Thursdays from 0800–1100 (Pacific Time).*

During this 24-month distance learning program, students who complete the degree also earn DAU equivalency for Acquisition Production and Quality Management (PQM101/201A/201B, PMT 355), Software Acquisition (ISA101), Test and Evaluation (TST204), Acquisition and Contract Management (CON91/100/121/124/127), Acquisition and Program Management (ACQ101/202, PMT252/257, EVM101) and Strategic Planning and Policy for the Logistics Manager (LOG103, PMT355). The program also meets DAWIA requirements for 24 hours of business subjects and 40 hours of annual continuous learning.**

Applicants without previous program management experience are eligible for admission. To use the virtual classroom, students will need a computer with high speed internet access, a PC microphone/speaker (mandatory) and a PC camera (optional). The price is $2,500 per course. Eligible active duty Naval officers are mission funded by the Navy and do not pay tuition. Students are required to purchase textbooks and course materials.
