

International Mine Warfare Technology Symposium

ABSTRACT/PRESENTATION SUBMISSION FORM

Please complete and submit one copy of this form with each abstract or paper

ABSTRACT and PAPER/PPT SUBMISSIONS

Abstracts are not mandatory, however all abstracts received by 07 May 2018 will be included in the Symposium program schedule which will be available to attendees. Abstracts should be forwarded to: laurie.sheehan@nps.edu.

Briefing documents (slide presentation and/or paper) **MUST** be received in advance of your presentation. These may be forwarded as attachments to laurie.sheehan@nps.edu, or they may be supplied on a CD (no thumbdrives, please) when you arrive at the symposium.

Please provide one submission document for each presentation. Formatting instructions are on the last page of this document.

Abstract and Presentation Submissions

Submission Information:

- Abstracts are not mandatory, however all abstracts received by 02 May 2016 will be included in the Symposium program. The program will be made available to all attendees.
- Please forward abstracts to lasheeha@nps.edu.
- Please limit Abstracts to 1 page or less.
- **ONLY** papers or slide presentations received before the completion of the 12th Symposium (26 May) will be included in ***The Proceedings***.
- All papers must be in English.
- You **MUST** include one copy of this Submission Form with each presentation.
- Uniformed formatting for all submission, see below.

Abstract Text and Page Format

- 8.5" x 11" paper size
- **pdf files only**
- 1.5" margins on all sides
- Single column
- Single spaced, left aligned
- 12 point type, Times New Roman font
- Page numbering, headers and footer are not allowed
- Title and author in upper and lower case (not all caps)
- Title in 18 point type, centered (not all caps)
- Author's name and institution following title 14 point type, centered (not all caps)

Please make sure the media is appropriately marked and includes the corresponding author's name and contact information (phone number and email address).

Notes

- Papers and PPT presentations will be published in the Symposium Proceedings unless authors or presenters specifically states otherwise (see submission form for more information).
- Video content may be deleted in ***The Proceedings*** due to size constraints.
- Please assure you have the necessary approval from your organization to release your documents.
- Please scan all material, emailed files or CDs, for viruses prior to deliver to the Naval Postgraduate School.
