**Call for Applicants!**

**Certificate of Completion: Data Science**

**Commencing Monday 3 January 2022**

The Naval Postgraduate School is pleased to announce the fifth offering of its tuition-based Data Science Certificate beginning Winter Quarter AY2022. The certificate program is an accredited graduate program that consists of four courses, delivered one course per quarter for four quarters.

**Delivery**

Courses will be delivered via an online application such as Zoom for Government or Microsoft Teams. Each course is scheduled for Wednesdays from 1400 to 1700 Eastern time. Students must have Internet capability to access their NPS accounts, including SAKAI, which is the repository of all course materials.

**Tuition**

The tuition price is \$2500 per course for all students except active duty USMC and USN members. Active duty USMC and USN students are “mission funded” and hence their tuition is “free.” Students are required to purchase books and materials.

**Eligibility**

The program is open to all uniformed military personnel, federal civilian employees, and a limited number of defense industrial contractors. Applicants must have earned a Bachelor’s degree. To be selected for admittance applicants must demonstrate a sufficient background in Mathematics, Probability, and a working knowledge of a Programming Language to meet the prerequisites of the four courses.

**To apply**

Applicants should visit the <https://www.nps.edu/web/admissions/apply1> link. Look for the paragraph, “Ready to apply? Click here.” The Data Science Certificate is curriculum 268. Candidates are applying for Academic Year 2022, Quarter 2 (268-222). A signed Participation Agreement is required as well as a Command Support Agreement (MOA for Navy; DD1144 all others). The application deadline, including receipt of all official transcripts is 08 October 2021.
