**Systems Engineering Certificate Program
Commencing Thursday, 3 October 2019**

Program Delivered via Distance Learning

Sponsor Code: NSWC-Carderock (282-201S)

The Naval Postgraduate School's (NPS) Department of Systems Engineering in partnership with the Naval Surface Warfare Center- Carderock is pleased to announce the offering of a four course academic certificate in Systems Engineering (SE) commencing **Thursday 3 October 2019**. The program is limited to NSWC-Carderock federal civilians and uniformed Navy or Marine Corps officers.

Delivery

The SE certificate is a part-time program that is delivered synchronously using *COLLABORATE*, a web conferencing tool. Students in the SE certificate program take one (1) course per quarter for four (4) consecutive quarters attending one (1) three hour session per week on **Thursdays, 1330-1630 (Pacific Time)**. To use *COLLABORATE*, students need Internet access, a PC microphone (mandatory) and a PC camera (optional). All *COLLABORATE* sessions are recorded.

Degree

Students who successfully complete the program earn an NPS Systems Engineering Certificate and DAU equivalency for DAWIA training requirements of the Engineering (ENG) career field (ENG101, ENG202 and ENG302).

Eligibility Requirements:

Baccalaureate Degree
GPA of 2.2 or better*

Tuition

NSWC- Carderock is fully sponsoring and funding this certificate for up to 25 seats. Funding covers all tuition and books for the four course sequence (see tuition letter for more details).
