2. Funding documents issued to the Naval Postgraduate School should be addressed to President, Code 21, Naval Postgraduate School, Monterey, CA 93943 and must be in accordance with reference (a). Funding documents should be emailed to [tuition@nps.edu](mailto:tuition@nps.edu). The funding documents should include program title **Certificate in SE Distance Learning Program (Cohort 282-2330)** and also list the technical contact as Dr. Wally Owen (831) 402-6086, [wowen@nps.edu](mailto:wowen@nps.edu) and the business financial management contact as Ms. Yves Cameron (831) 656-3950, [GEACBFM@nps.edu](mailto:GEACBFM@nps.edu). Expiration date for all funding documents should be 30 September unless negotiated with Dr. Wally Owen.

3. NPS Fall quarter begins in September. US government activities using appropriated funds must pay for that quarter as a "Project Order" with previous FY dollars since the course is non-severable. For this to occur, the funding document must annotate in the text an expiration date of 31 December so that the funds can be deposited in an appropriate FY rollover account. All other payments can be issued as an "Economy Act" with an expiration date of 30 September. All sponsors must have an agreement in place with NPS (Form 7600A for U.S. Navy or DD1144 all others) before a student can be enrolled in a NPS program and before funding can be accepted. For additional information or questions regarding agreements, please contact (831) 656-6467 or email [sponsorededucation@nps.edu](mailto:sponsorededucation@nps.edu).

4. The tuition price per course is established each fiscal year by NPS and is based on a distance learning cost model. To the maximum extent possible prices will remain consistent. Prices will not change within any particular fiscal year but may change from year to year. If you have any further questions about pricing and payment information, please call Dr. Wally Owen, program manager at (831) 402-6086.
