Certificate in Systems Engineering Certificate Commencing Wednesday, 29 March 2023

Program Delivered via Distance Learning

Sponsor Code: Open Enrollment (282-2330)

The Naval Postgraduate School (NPS) and its Department of Systems Engineering is pleased to announce the offering of a four-course academic Certificate in Systems Engineering commencing Wednesday **29 March 2023**. The program is open to qualified uniform officers, federal civilians and defense contractor civilians.

Delivery

The SE certificate is a part-time program that is delivered synchronously using Zoom for Gov and/or MS Teams. Students take one (1) course per quarter for four (4) consecutive quarters attending one (1) three-hour session per week on **Wednesdays, 0800-1100 (Pacific Time)**. To participate, internet access and PC microphone are required and a PC camera (optional). All virtual sessions are recorded.

Degree

Students who successfully complete the program earn an NPS Certificate in Systems Engineering.

Eligibility Requirements:

- Baccalaureate Degree
- GPA of 2.2 or better
- At least one (1) college calculus course

Tuition

The tuition price is \$2,750 per course. NPS is mission funded for qualified active-duty Navy and Marine Corps officers (tuition free). Students or commands are expected to purchase books. To include books, add \$250 fixed price per course.

Note: SE offers tiered pricing options to sponsors who commit to fund a cohort of 25 students or who fund 50 or more students in any combination of our DL programs. For details, refer to AY23 SE-DL pricing guide or contact Dr. Wally Owen.

To apply

Applicants should visit the [SE Certificate](#) and under the Quick Links, select [Apply Now](#). The SE certificate program is Curriculum 282. Candidates are applying for Academic Year 2023, Quarter 3. Candidates should type the sponsor code "282-2330" in comments section. The NPS application deadline is **3 January 2023**.
