

NAVAL POSTGRADUATE SCHOOL CLIMATE & SECURITY NETWORK SPEAKER SERIES

Evolving toward Resilience: The Climate Security Threat of Wildfires

July 26, 2024 / 12:00 – 1:30 PM PT / Virtual via Zoom

Description

Featuring a distinguished panel of experts sharing their insights on climate modeling, wildfire science, and the current best practices in wildfire management, this event highlights wildfire management for military and civilian communities and advances knowledge to mitigate wildfire risks and enhance preparedness.

About the Panel

Dr. Kellen Jones (LCDR), Naval Postgraduate School Department of Meteorology
Dr. Susan Prichard, University of Washington School of Environmental and Forest Sciences
Honorable Ron Goode, Tribal Chairman of the North Fork Mono Tribe
Dr. Daniel Eisenberg, Naval Postgraduate School Center for Infrastructure Defense
Dr. Rebecca Miller, Research Staff at IDA Science and Technology Policy Institute
