

# Detering the PRC

## A JCS, J-7 Sponsored Wargame

### 5-8 June 2023

**Joint Staff, J-7, Naval Postgraduate School, and regional subject matter experts in the Monterey Systems Technology Battle Lab to participate in a seminar wargame to explore deterrence.**

***Secret clearance required for all players and spectators.***

**For more on the wargame, to request to play, or view live, contact one of the game facilitators below.**
