## ABOUT ISG

Located in Monterey, California, the Institute for Security Governance (ISG) is the Defense Security Cooperation Agency's (DSCA) primary Institutional Capacity Building (ICB) implementer and a leading schoolhouse supporting partners and allies. ISG advances national security and foreign policy objectives by building partner institutional capabilities and enhancing the approach and conduct of ICB to address security challenges.

The development of functioning, accountable, and effective defense and security institutions is critical for security cooperation and partner capability development success. The ISG approach

to security cooperation is tailored to meet partner institutional capacity, capability, education, and professional development requirements.
