

**Decarbonization Research Consortium – Introductory Call
10 February 2023 / Noon – 1:30 ET / 9 – 10:30 PT
Agenda**

- 1200-1215 Introductions
- 1215-1300 Briefs:
 Background – Kristen Fletcher, NPS
 Context/Parameters – Mark Spector, ONR
 Small Business – ML Mackey, Beacon Interactive Systems
 Joint Agency Decarb Group – Sumanta Acharya, NSF
- 1300-1330 Discussion & Path Forward

**Decarbonization Research Consortium Launch Call
24 February 2023 / Noon – 2:00 ET / 9 – 11:00 PT
Agenda available by 20 February**

Path Forward:

- March 2 Consortium Meetings (Likely both Virtual; 1 as half-day)
 Identify priority research areas related to Operational Decarbonization
 Draft Research Gaps in those areas
 Determine Research Roadmap model
 Assign research/writing tasks as needed
- April/May 2 Meetings per month (possibly 1 in-person/DC Area)
 Begin drafting research roadmap
- June 2 Meetings (possibly 1 in-person/DC Area)
 By 23 June, share draft with ONR
- July/Aug 2 Meetings per month
 Identify tentative Next Steps for Consortium
- Aug 31 Final Research Roadmap to ONR
 Finalize Next Steps for Consortium
