09:05:15 From Katrina Groth (UMD) to Everyone:
UMD Systems Risk and Reliability analysis Lab (SyRRA): <https://syrra.umd.edu/>

09:05:27 From Saniya LeBlanc (GWU) to Everyone:
<https://www.seas.gwu.edu/saniya-leblanc>

09:05:36 From Katrina Groth (UMD) to Everyone:
Faculty profile: <https://enme.umd.edu/clark/faculty/807/Katrina-Groth>

09:05:56 From Dan Nussbaum (NPS) to Everyone:
Dan Nussbaum, Naval Postgraduate School

09:06:08 From Kirk Waltz, American Bureau of Shipping (ABS) to Everyone:
Kirk Waltz, American Bureau of Shipping

09:06:27 From Mirian Velay-Lizancos to Everyone:
Mirian Velay-Lizancos. Purdue University. Faculty website: www.purdue.edu/ce/velay

09:06:43 From ML Mackey to Everyone:
ML Mackey, Beacon Interactive Systems, www.beaconinteractive.com

09:08:52 From Ronald Giachetti (NPS) to Everyone:
Ron Giachetti, Professor of Systems Engineering at Naval Postgraduate School <https://nps.edu/web/seet>

09:12:34 From Samuel Graham to Everyone:
Samuel Graham, University of Maryland

09:12:46 From Samuel Graham to Everyone:
<https://eng.umd.edu/clark/faculty/1618/Samuel-GrahamJr>

09:13:50 From Jochen Lauterbach to Everyone:
Jochen Lauterbach <https://www.linkedin.com/in/jochen-lauterbach-b843b624/>

09:22:29 From Luciano Castillo to Everyone:
Luciano Castillo- Purdue (https://engineering.purdue.edu/ME/People/ptProfile?resource_id=173054)

09:30:44 From Bill Muras to Everyone:
Military Sealift Command - MSC

09:58:34 From Heather Willauer to Everyone:
All I have to jump off but you have any questions regarding direct ocean capture and direct air capture technologies and conversion please reach out at heather.willauer@nrl.navy.mil

10:09:53 From Ronald Giachetti (NPS) to Everyone:
What Dan mentions about foreign suppliers, is that it creates supply chain risks that would also have to be taken into account, and we would have to consider pros, cons, risks, etc.

10:10:32 From Yuska, Daniel (MARAD) to Everyone:
link to the MARAD META webpage - project reports are publicly available.
<https://www.maritime.dot.gov/innovation/meta/maritime-environmental-and-technical-assistance-meta-program>

10:19:04 From Ronald Giachetti (NPS) to Everyone:
We need to keep in mind ships are built for decades of service. New Virginia class submarines are built for 33 year life

10:26:51 From Cayle Bradley to Everyone:
March 22-24 is the DOE ARPA-E Summit.
