

BWD CAPABILITY SECTOR STRATEGIC ROADMAP - SWIMLANE VIEW

What actions can be taken by the Federal Government, academia, and the industrial sector to enhance the development of the U.S. domestic battery and strategic minerals workforce as contributors to national security?

		LINES OF EFFORT (LOAS)		
		LOA 1: PEOPLE - NEW (RECRUITMENT)	LOA 2: PEOPLE - CURRENT (RETENTION AND HCD)	LOA 3: PROCESS - COMMUNICATIONS & COORDINATION
CAPABILITY SECTOR	CAPABILITY SECTOR 1: UPSTREAM	<ul style="list-style-type: none"> Improve recruitment into education for the mining industry. Develop mining education and training programs. Improve recruitment into the mining profession. 	<ul style="list-style-type: none"> Create comprehensive list of upstream battery industry ROS. Create comprehensive national strategy to enable greater development of mine workers at all levels. Facilitate educational programs access. 	<ul style="list-style-type: none"> Improve communications and coordination throughout the mining sector and across the battery supply chain.
	CAPABILITY SECTOR 2: MIDSTREAM	<ul style="list-style-type: none"> Improve recruitment to education for battery manufacturing. Develop education and training for students interested in battery manufacturing. 	<ul style="list-style-type: none"> Create standardized programs of education/training for current midstream workforce. Facilitate educational programs access. 	<ul style="list-style-type: none"> Improve communications and coordination throughout the battery manufacturing sector and across the supply...
	CAPABILITY SECTOR 3: DOWNSTREAM	<ul style="list-style-type: none"> Recruit talent and experience, particularly at the highly-educated professional levels. 	<ul style="list-style-type: none"> Create standardized education/training for current downstream work force. Facilitate educational programs access. Focus on strengthening the recycling and disposal sector workforce. 	<ul style="list-style-type: none"> Improve communications and coordination throughout the downstream battery sector and across the...
