

Joseph Chapa is a lieutenant colonel in the U.S. Air Force and holds a PhD (DPhil) in philosophy from the University of Oxford. His areas of expertise include just war theory, military ethics, and especially the ethics of remote and autonomous weapons. His doctoral research investigates an individual rights-based account of just war theory. He is a senior pilot with more than 1,400 pilot and instructor pilot hours, many of which were flown in support of major U.S. combat and humanitarian operations. He currently serves on the Air Staff's Artificial Intelligence Cross-Functional Team.
