

Mr. Brian Williams - Technology Orienteer in the Joint Advanced Warfighting Division at the Institute for Defense Analyses (IDA). Prior to joining IDA, Brian's senior management career focused on new technology development, implementation and introduction to consumer and commercial (B2B and M2M) domestic and international markets. Currently, Brian is Task Leader on an DARPA project analyzing the Legal, Moral, and Ethical (LME) considerations involved in the use of Urban Reconnaissance with Supervised Autonomy (URSA) Capabilities. Brian is a member of IDA's Innovation and Experimentation Working Group and Artificial Intelligence and Autonomy Working Group.
