Model-Based Systems Engineering Design and Development Certificate

Commencing **Thursday, 3 October 2024***

* Day and time many change

Sponsor Code: **OPEN Enrollment (133-2510)**

The Naval Postgraduate School's (NPS) Department of Systems Engineering is pleased to announce the offering of a four course Model-Based System Engineering Design and Development Certificate commencing **Thursday, 3 October 2024**. The program is open to all qualified uniformed officers, federal civilians, defense contractors and internationals.

Delivery

The MBSE certificate is a part-time distance learning program. Students in the MBSE certificate program take one (1) course per quarter for four (4) consecutive quarters attending one (1) three-hour session per week on **Wednesday, 0800-1100 (Pacific Time)**. Classes are delivered synchronously using Zoom.Gov or MS Teams web-conferencing tools. To participate, students need Internet access and a PC microphone. No special software is required for either tool.

Certificate

Model-Based Systems Engineering Certificate

Eligibility Requirements:

- Undergraduate engineering, science or technical degree with a minimum 2.6 grade point average.
- At least one college calculus sequence (one year of undergraduate courses, two semesters or three quarters).
- NPS SE (282) certificate

Note: The MBSE (133) is part of the stackable certificate pathway to a SE master's degree.

Tuition

The tuition price is \$2,750 per course for uniformed officers, federal civilians and Defense contractors. Internationals will incur additional fees. NPS is mission funded for qualified active duty Navy and Marine Corps officers (tuition free). If NPS is required to provide textbooks, add \$250 fixed price per course per student. See tuition letter for payment due dates and additional details.

To Apply

Applicants should visit [MBSE website](#) and under the Quick Links, select [Apply Now](#). The MBSE program is Curriculum 133. Candidates are applying for Academic Year 2025, Quarter 1. Candidates should type the sponsor code "133-2510" in the comments section. The NPS application deadline is **8 July 2024**

Course Lineup

Qtr	Year/Quarter	Course Title
1	AY25/Fall	SE4150 Systems Architecture and Design (3-2)
2	AY25/Winter	SE4151 Systems Integration and Development (3-2)
3	AY25/Spring	SE4420 Modeling and Simulation is Acquisition (3-2)
4	AY25/Summer	SE4930 Model-Based Systems Engineering (3-2)
